

Note from Mr Whitfield

Father Peter Edwards, from All Saints' Parish Church in Walton-on-the-Naze, held a special assembly earlier this week. This was the first of his termly visits to the school. We are very keen to develop links with our local community.

Class Masses form an important part of our RE curriculum and this week Forms I & II invited parents in for their mass based on their topic of "Special People".

Essex Police are visiting the school next week to talk to children throughout the school about the importance of internet safety and how to keep safe whilst using the internet. These sessions are extremely valuable and will provide the children with practical advice.

We are very proud of our school uniform and aim to maintain high standards at all times. I have spoken to the children during an assembly about the importance of wearing the correct uniform, including hats/caps. Your support in maintaining these standards is gratefully appreciated.

Fitness Sessions

Forms V and VI enjoying their new fitness sessions on a Monday morning.

French Breakfast

Madame Hull's French Breakfast was as popular as ever. The children arrived at 8am for their breakfast of croissants, baguettes and fruit juice. They really enjoyed the experience and practised their French as they ate.

Thank you Madame Hull.

Last week the Green Team launched a new project called 'Ecobricks'. They have been busy making their own Ecobricks this week. All children will get the opportunity to make an Ecobrick in school.

GOOD WORK BOOK

Entries in the Good Work Book recognise not only excellence, but also achievement in relation to individual ability, and notable consistency or improvement. Well done to everyone listed below:

Reception
Form I
Form II
